

Haleh Rabizadeh Resnick Short Bio

Haleh is the author of the Think Again series, Little Patient Big Doctor and Navigating OIT, a much needed practical guide to oral immunotherapy. Whether writing or speaking about communication or perception analysis, Haleh defies convention and inspires fresh thinking. A practicing attorney, Haleh is also a powerful educator and counsels children. Haleh's work has garnered attention from national media as she inspires those around her to Think Again in all that we do.
